The collection of all assessments and creation of liens shall be in accordance with the following provisions:

9.1 If fees, dues, charges or assessments of any kind are not paid upon the date when due, such sums shall then be and become delinquent and shall, together with interest thereon, attorneys' fees and all costs of collection, be and become a continuing lien and charge on the lot or lots owned by the member of the Association. Such liens shall bind all such property in the hands of the lot owner, his heirs, devisees, personal representatives, successors and/or assigns.

9.2 If the sums due are not paid within thirty (30) days after the delinquency date, such sums shall bear in-

interest which may be lawfully charged to individuals, and the Association may bring an action to foreclose the lien against the property in like manner as the foreclosure of a mortgage on real property, and there shall be added to the amount due in addition to the interest hereinabove set forth, all costs of collection and/or appeal, and all attorneys' fees incurred by the Association in connection with the collection and/or appeal. The judgment shall include all of said sums.

10.0 Subordination of Liens to Mortgages

The liens for all fees, dues, charges and assessments provided herein, shall be subordinate to the lien of any bona fide mortgage or mortgages, now or hereafter placed on any lot; provided, however, that such subordination shall apply only to the sums which have become due and payable prior to a sale or transfer of such lot, pursuant to a decree of foreclosure or other proceeding in lieu of a foreclosure. No sale, transfer, or conveyance of any kind shall relieve any lot owner from the liability for any fees, dues, charges or assessments thereafter becoming due or the lien for any such sums.

11.0 Scope, Duration of Protective Covenants, Conditions, Restrictions, and Covenants

All of the protective covenants, conditions, restrictions, and easements set forth in this Declaration are imposed upon said property for the direct benefit thereof and of the owners thereof as a part of the general plan of development, improvement, building, equipment and maintenance of said property. Each grantee or purchaser under a contract of sale or agreement of purchase, accepts the same subject to the protective covenants, conditions, restrictions, and easements set forth in this Declaration, and agrees to be bound by each such protective covenant, condition, restriction, and

easement. Said protective covenants, conditions, restrictions, and easements shall run with the land and continue to be in full force and effect, except as hereinafter provided, in perpetuity.

Said protective covenants, conditions, restrictions, and easements remain in perpetuity unless a written agreement executed by the then record owners of not less than seventy-five percent (75%) of the lots in the property subject to this Declaration shall be placed on record in the Office of the Clerk of the Circuit Court of St. Lucie County, Florida, in which agreement any of the protective covenants, conditions, restrictions, and easements may be changed, modified, waived or extinguished in whole or in part, as to all or any part of the property then subject thereto in the manner and to the extent therein provided.

11.1 In the event that any such written agreement of change or modification be fully executed and recorded, the original protective covenants, conditions, restrictions, and easements as therein modified shall continue in force in perpetuity, unless and until further changed, modified or extinguished in the manner herein provided.

11.2 Damages are hereby declared not to be adequate compensation for any breach of the protective covenants, conditions, restrictions, or easements of this Declaration, but such breach and the continuance thereof may be enjoined, abated and remedied by appropriate proceedings by the Declarant, the Association, or by an owner of any lot in said property.

12.0 Subordination of Protective Covenants, Conditions, Restrictions, and Easements

All of the protective covenants, conditions, restrictions, and easements set forth in this Declaration shall be subject to and subordinate to any recorded mortgage or deed

of trust in good faith and for value at any time heretofore or hereafter executed covering any part of said property, and the breach of any such protective covenants, conditions, restrictions and easements, shall not defeat the lien or encumbrance of any such mortgage or deed of trust; provided, however, that the purchaser at any foreclosure sale under any such mortgage or deed of trust, his or its successors and assigns, shall take and thereafter hold the title subject to all of the covenants, restrictions, reservations and easements set forth in this Declaration.

13.0 Violations of Protective Covenants, Conditions, Restrictions, and Easements.

A breach or violation of any of the protective covenants, conditions, restrictions, and easements shall give to the Association the right to immediate entry upon the property upon which such violation exists, and summarily to abate and remove, at the expense of the owner thereof, any erection, structure, building, thing or condition that may be or exist thereon contrary to this Declaration, and to the true intent and meaning of the provisions hereof, and the Association shall not be liable for any damages occasioned thereby. The result of every act of omission or commission or the violation of any protective covenant, condition, restriction, and easement hereof, whether such protective covenant, condition, restriction, and easement is violated in whole or in part, is hereby declared to be and to constitute a nuisance, and every remedy allowed by law or equity against any such owner of any lot, and may be prohibited and enjoined by injunction. Such remedy shall be deemed cumulative and not exclusive.

Where an action, suit or other judicial proceeding is instituted or brought for the enforcement of these protective covenants, conditions, restrictions, and easements, the losing party in such litigation shall pay all expenses, including a reasonable attorney's fee, incurred by the other

party in such legal proceeding.

14.0 Right to Enforce

The provisions contained in this Declaration shall bind and inure to the benefit of and be enforceable by the Association, or by the owner or owners of any portion of said property, their and each of their legal representatives, heirs, successors and assigns, and failure by the Association, or by the owner or owners of any portion of said property or their legal representatives, heirs, successors and assigns, to enforce any of such protective covenants, conditions, restrictions, and easements herein contained shall, in no event, be deemed a waiver of the right to do so thereafter, unless otherwise herein provided.

15.0 Assignment of Powers

Any and all rights and powers and reservations of the Declarant herein contained may be deeded, conveyed or assigned to another corporation, co-partnership or individual and upon such corporation, co-partnership or individual evidencing its consent in writing to accept such assignment and to assume such duties and powers, it shall, to the extent of such deed, conveyance or assignment, have the same rights and powers, and be subject to the same obligations and duties as are given to and assumed by Declarant herein and thereupon Declarant shall be relieved of the performance of any further duty or obligation hereunder to the extent of such deed, conveyance or assignment.

In the event Declarant shall convey all of its right, title and interest in and to the real property described in Section 1.2 hereof and shall assign all of its rights, powers and privileges under this Declaration to another corporation, co-partnership or individual and such assignee should, by instrument in writing duly executed, acknowledged and recorded in the Office of the Clerk of the Circuit Court, in and for

St. Lucie County, Florida, accept such conveyance and assume and agree to be bound by each and all of the obligations and duties hereby imposed upon the Declarant, then and in that event the Declarant shall be relieved of the performance of any further duties or obligations hereunder, and such other corporation, co-partnership or individual shall succeed to all of the rights, powers, reservations, obligations and duties as though such other party had originally been named as Declarant instead of Declarant.

16.0 Headings of Sections

The headings as to the contents of particular sections are inserted only as a matter of convenience and for reference and in no way are, or are they intended to be, a part of this Declaration, or in any way define, limit or describe the scope or intent of that particular paragraph to which they refer.

17.0 The Various Parts of this Declaration are Severable.

In the event of any clause, subdivision, term, provision or part of this Declaration being adjudicated by final judgment of any court of competent jurisdiction to be invalid or unenforceable, then disregarding the paragraph, subdivision, term, provision or part of this Declaration as adjudicated to be invalid or unenforceable, the remainder of this Declaration, and each and all of its terms and provisions not so adjudicated to be invalid or unenforceable shall remain in full force and effect, and each and all of the paragraphs, subdivisions, terms, provisions or parts of this Declaration are hereby declared to be severable and independent of each other.
